A LITTLE BIT EXTRA

“THE ORDER’S IN”

BRIEF RECAP

Keep the **Eskort flavour customers know and love**, while serving up a fresh, **modern digital experience**. Refresh the UI, **strengthen the brand story** and create a consistent design system that celebrates our heritage, showcases our quality products and feels proudly South African.

A FEW NOTES

The **IMAGERY USED** are examples of our recommendations, not final imagery

The **COPY USED** is place holder copy and not final copy

Please feel free to to **RAISE YOUR HAND** when you have a question during the presentation :)

SECRET INGREDIENTS

KEY CONSIDERATIONS

THE SECRET SAUCE

KEY CONSIDERATIONS

"BUILT FOR EVERY BRAAI"

HUMAN-CENTRED DESIGN

Every design decision **starts with the user, making it easier to find what you need** and get things done.

"ONE RECIPE. EVERY PAGE."

CONSISTENT DESIGN SYSTEM

By using the same design patterns throughout the site, we **create an experience that feels familiar**, intuitive and easy to navigate.

"NO NONSENSE. NET LEKKER."

STRONG VISUAL HIERARCHY

A strong visual hierarchy **helps users understand the page at a glance**, highlighting what matters most and making navigation feel effortless.

"LOOKING LEKKER"

COLOUR STRATEGY

Colour is used purposefully to **highlight key actions, improve navigation** and create a cohesive brand experience.

THE SECRET SPICE

KEY CONSIDERATIONS

"SHOP. CHOP. DONE."

E-COMMERCE OPTIMISATION

Designed to make shopping simple, with intuitive navigation, clear calls to action and a friction-free path to checkout.

"ADDING A BIT OF SIZZLE"

MOTION AND MICROINTERACTIONS

Purposeful motion and subtle interactions make the experience feel more intuitive, responsive and **engaging by providing clear visual feedback.**

"SOMETHING FOR EVERY SMAAK."

ENGAGEMENT THROUGH VARIETY

Variety in content and layout keeps the experience interesting while maintaining a familiar and consistent feel.

"SERVING STORIES SINCE 1917"

BRAND-LED STORYTELLING

Brand-led storytelling brings the **brand to life through meaningful content** and engaging experiences that build trust and lasting connections.

UI AMBITIONS

HOME PAGE

UI AMBITIONS

"BUILT FOR EVERY BRAAI"

HUMAN-CENTRED DESIGN

The homepage is designed around key customer journeys, making it easy to shop, discover promotions, find recipes and explore the Eskort brand.
(through clear navigation, logical content hierarchy and accessible interactions)

"NO NONSENSE. NET LEKKER."

STRONG VISUAL HIERARCHY

A clear visual hierarchy helps customers quickly spot promotions, featured products and key actions, making the homepage easy to scan and navigate.
(primary content—such as promotional campaigns, featured products and calls-to-action—stands out immediately)

UI AMBITIONS

"ONE RECIPE. EVERY PAGE."
CONSISTENT DESIGN SYSTEM

A consistent design system creates a familiar, seamless experience that's easy to navigate while strengthening the Eskort brand across every page. **(improves usability by making interactions predictable and intuitive, while reinforcing brand recognition through a cohesive visual identity)**

"LOOKING LEKKER"
COLOUR STRATEGY

A balanced colour palette brings the Eskort brand to life, guiding attention to promotions, products and calls to action while keeping the experience easy to navigate.
